

PRESS RELEASE

**FinecoBank signs a partnership agreement with
Banor SICAV**

**The entire SICAV range will be available on the
www.finecobank.com
website and through FinecoBank's network of
personal financial advisors.**

London, 29 March 2017 - **Banor SICAV, a Luxembourg-based UCITS IV investment firm, has signed a cooperation agreement with FinecoBank**, one of Italy's foremost networks of financial advisors. Thanks to the agreement, Fineco will expand its offering with the entire range of Banor funds managed by Banor Capital Ltd, a fund management firm based in London.

The six Banor SICAV sub-funds are characterised by **a value-based fundamental approach and are amongst the best in their categories for the past 1, 3 and 5 year periods**. They cover both stock and bond markets and focus on the world's principal geographical areas.

*"Since it was first established Banor SICAV has followed a strategy focusing on continuity of results. The partnership with FinecoBank", commented **Giacomo Mergoni, CEO at Banor Capital**, "is part of our development plan in the direct multi-channel banking sector. We're very proud to be associated with a widely recognised and highly regarded company like FinecoBank, with which we share a constant commitment and keen ability to offer the best investment solutions to our customers".*

On the www.finecobank.com website customers have access to a **Fund Center** where they can choose from a huge range of products: over 6,000 funds from 72 investment firms. This means they can build up customised portfolios and diversify their investments.

Fineco customers have access to over 2,600 personal financial advisors providing specialised advice and investment planning services. Customers can find all the information they need about the funds on the Fineco site: prospectuses, official documents and background material.

Banor SICAV funds are also available through Allfunds, Ifigest Fundstore, Online SIM, IWBank, UBS (Italy), Credit Suisse (Italy), Santander PB, AlpenBank, Banca Passadore, Invest Banca, Veneto Banca, Nextam Partners Sim, Banca Apulia and Banor Sim.

Banor SICAV is a Luxembourg-based open-end investment firm (SICAV UCITS IV) offering a range of products, all with a value approach to investment. Banor SICAV is managed by Banor Capital Ltd, which brings together in-house expertise, excellent relations with advisors selected for their skill and knowledge from the foremost financial boutiques, a strategic approach and a consolidated track record www.banorsicav.com.

FinecoBank

FinecoBank is a direct multichannel bank of the UniCredit group, one of the largest networks of financial advisors* and a leading bank in Italy in terms of volumes traded on the stock market**. FinecoBank provides an integrated business model between direct bank and advisory network. It offers customers a single cost-free account offering banking, credit, trading and investment services that are also available on mobile devices, with apps for smartphones and tablets. With its fully integrated platform, FinecoBank is the player of choice for modern investors.
