Banor Capital: in the top 10 of Investec's Mid-Market 100

MILANO (Finanza.com)

Banor Capital has announced its inclusion in the "**Investec Mid-Market 100**" list, which recognise the UK's fastest-growing mid-market private companies. "In the last two years", explained Ed Cottrell, head of Corporate Lending at Investec, "the pace of growth for mid-cap companies has been remarkable. Fast-growing and innovative businesses [like Banor capital] are exactly the sort of companies we need to keep the economy expanding as the Brexit negotiations continue".

Giacomo Merloni, CEO of Banor Capital, declared, "We're proud to be in eighth place in this list of the 100 fastest-growing companies in the UK. This result is a recognition of Banor Capital's ongoing commitment to create a sound business based on quality and transparency".

And Massimiliano Cagliero, chair and principal shareholder of Banor Capital, commented that "in Banor, our commitment has always been to achieve results that grow constantly over time while remaining faithful to our principles and values, which are inspired by the quest for excellence in every sphere. Our focus at all times is on selecting successful investment strategies and on selecting extraordinary people and partners. We're grateful to our clients, who have made this recognition possible and who renew their trust in Banor on a daily basis".
